

Hunter Environmental Associates, Inc.

"Our mission at HEA, Inc. is to promote company profitability, quality services, employee time efficiency, optimism and flexibility for all parties."

Quality and Time Efficiency: HEA, Inc. is product driven and dedicated to providing superior products. HEA, Inc. guarantees product satisfaction and strives to meet any challenge. HEA, Inc. provides award incentives for employees, thus using time efficiently and wisely is beneficial for all parties.

Profitability: HEA, Inc. offers competitive prices that will 'meet or beat' opposing bids. HEA, Inc. is a small corporation and thus does not encounter some of the larger organization costs. HEA, Inc. can offer reasonable prices to customers and still maintain a margin of profit for both the company and employers.

Optimism and Flexibility: HEA, Inc. promotes good working relationships with both internal and external agencies. Positive and flexible attitudes can create a 'win-win' outcome in any uncomfortable situation and promotes a healthier and happier environment for everyone.

What Environmental Services Does HEA, Inc. Provide?

- 1) National Environmental Policy Act (NEPA) Document Preparation and Consultation- Including Environmental Impact Statements, Environmental Assessments, Agency Correspondence, Public Meetings, Environmental Permitting/Consultations (Section 106 Cultural Resources, Clean Air Act (CAA)).
- 2) Wetland Delineation and Permitting- Section 401/404 Clean Water Act (CWA), National Pollutant Discharge Elimination System (NPDES).
